for inspirational home project ideas
Installation made easy

Easycraft panels include the easyJOIN+ system that allows for a fuss free, quick installation. The panels are identified by a green tongue for general purpose interior and a blue tongue for wet area interior and semi-exterior applications.

AUSTRALIAN MADE AND OWNED

Australian PANELS

easycraft
stylish solutions for walls and ceilings
Silhouette
range

Crafted by the architectural and design communities, this innovative range of decorative panels provides depth, distinction and texture for your next unique design. Available in a range of different profiles and spacings, the tactile nature of the Silhouette profiles play with light to produce organic shapes and shadows.

Suitable for:

- General purpose interior wall and ceiling linings
- Residential and commercial applications

Product features:

- Made from high quality machine grade Moisture Resistant (MRE0) MDF
- Designed to feature dramatic lines and shadows
- Primed and ready to paint for fast, easy installation
- Consistent finish with no knot holes, splitting or splinters
- High impact resistance sheeting, 300% tougher than plasterboard
- Tongue & groove joining system for a seamless install
- Australian Made & Owned
