

BTPS GLOBAL

CONSTRUCTION SUPPLIES, SOURCING & LOGISTICS

CORPORATE PROFILE

*'Everything to
build anything'*

 **brettstrade**

BTPS Global is a subsidiary of Bretts. Bretts has been part of the Queensland building landscape for over a century.

About Us

Founded in 1912 as one of Brisbane's largest sawmills, today Bretts specialise in supplying a diverse range of products & services to the residential and commercial construction industry throughout south east Queensland and beyond.

With the established scale and depth of experience of the Bretts Trade Group, we have established a dedicated 4,000 sqm export facility to service the South Pacific region and beyond with our BTPS Global Division.

An industry leading team, leveraging our sourcing, logistic and supply relationships and capabilities to

Our agile business practices ensures BTPS Global is responsive, reliable and operates with a sense of urgency.

Our business values, industry relationships and careful staff selection are all done with our customer outcomes in mind. Without our customers BTPS Global and Bretts would not exist.

Our sourcing, supply & logistics relationships are over 100 years in the making. Designed to deliver construction solutions you've not even imagined possible...
