

# 7000 Series

Door furniture & deadbolts

Outstanding quality coupled with a wide range of lever styles exquisitely finished in the rich tones of satin stainless steel are the key features of the Schlage 7000 Series. This contemporary lever range has a distinctively European feel. Blending form with function, the Schlage 7000 Series will allow you to express your individuality with lasting integrity. Beautifully designed down to the last detail, this series is manufactured from high quality stainless steel for high performance, increased durability, good looks and great feel.

The Schlage 7000 Series has a round rose with both solid and tubular levers to choose from.

## Features

- Constructed of quality components with solid or tubular stainless steel levers and outer roses
- Built in privacy push-button for quick installation and ease of use
- The 7000 Series is suitable for use on approved fire core door assemblies when used with fire rated mortice locks or latches
- Through bolts provide secure fixing, concealed by a round rose cover for aesthetic appeal
