

# THE ZIP HYDROTAP® DESIGN RANGE.

## IT'S WATER. REFRESHED.

BOILING | CHILLED | SPARKLING

IT'S WATER. REFRESHED.

# EXPERIENCE THE ZIP EFFECT. DRINK MORE WATER. FEEL MORE WOOHOO.

Currently the majority of Australians do not drink enough water and up to 75% of us are dehydrated.

The pure taste of Zip puts the pleasure and sparkle back into water, with instant boiling, chilled and sparkling filtered water on tap. So now you'll enjoy drinking more and experience the many health benefits of proper hydration.

Your conscience will also be crystal clear because the Zip HydroTap performs to the highest standards of environmental responsibility and sustainability. Plus there are no plastic water bottles going to waste.

When water is irresistible, it's easier than ever to drink more and improve your wellbeing, health and happiness.

Experience The Zip Effect.

## WATER... MADE IRRESISTIBLE.

The latest generation Zip 0.2 micron filtration system ensures your water is crystal clear and free from dirt and contaminants as small as 1/5000th of a millimeter. In fact, the taste and odour of chlorine is removed, while fluoride is retained, making each and every glass more enjoyable and better for you.

## SPARKLING WATER AT YOUR FINGERTIPS.

Quench your thirst for sparkling water with a Zip HydroTap. Everyone will love the instant convenience of having filtered water the way they want it. The Zip HydroTap also features chilled and boiling water. So no more waiting for the kettle to boil or wasting money on expensive bottled water.

## REFRESHINGLY SUSTAINABLE.

With advanced energy efficiency and best-in-class cooling technology, the Zip HydroTap performs to the highest standards of environmental responsibility and sustainability. Unlike water-cooled systems, our air-cooled ventilation system does not waste precious water.

## RELIABILITY IS OUR REPUTATION.

We are so confident in our technology, design and build of the Zip HydroTap, we have extended our warranty to 5 years\*. This is supported by the largest national company - owned installation and service team in our industry.
